Forecast For East of England
Issued by Met Office Exeter
at 0400 on Saturday 30 Oct 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Morning rain clearing eastwards during early afternoon on Saturday.

Today:
Cloudy, dry start. Soon turning wet and breezy during Saturday morning, as rain spreads eastwards, occasionally heavy, before clearing to drier, brighter conditions during early afternoon, with sunshine. Isolated afternoon showers might affect some western areas. Dry and clear overnight. Maximum temperature 14 deg C (57 deg F).

Tonight:
Saturday night will be fine with long clear spells. Cloud increasing from the west later in the night. Winds freshening later - becoming strong near coasts. Minimum temperature 6 deg C (43 deg F).

Sunday:
Cloud soon thickening with strong winds bringing a broad band of occasionally heavy rain across the region on Sunday morning. This clearing to sunnier conditions through the afternoon. Winds decreasing. Maximum temperature 14 deg C (57 deg F).

Outlook for Monday to Wednesday:
Monday bright and breezy with chance of showers. Winds decreasing. Tuesday similar with light winds. Wednesday bright with an increasing chance of coastal showers across Norfolk. Feeling colder.
